Members of NIFDI have exclusive access to several print and video resources such as a 5-part video sequence where Zig Engelmann gives us his take on topics such as individual learning styles, the role of rote teaching, individualizing instruction and more. There is also an excellent interview with Jean Osborn and Elaine “Cookie” Bruner, co-authors of Reading Mastery and Language for Learning, on the early days of Direct Instruction development and the Bereiter-Engelmann Preschool.

In the Members Only document section, there are several useful forms as well as suggestions for independent work, details on how to implement duet reading, assessment guidelines for students placing in Corrective Reading and other interesting, useful material related to Direct Instruction.
