Sakari,

I'd like to route this through the help desk/Quality Assurance Team process.

**Subject:** Teacher Induction Response to WWC Quick Review

Hi Mike,

The Teacher Induction team would like to submit this response to the What Works Clearinghouse regarding the Quick Review of *Impacts of Comprehensive Teacher Induction: Results from the First Year of a Randomized Controlled Study*. We believe that the test score analysis part of the study should be changed to a rating of "meets standards" (without reservations).

Thanks,  
Eric
